## Be Prepared!

### Did you know that incorrect manual handling causes over a third of all workplace injuries?

The law states that employers have a legal responsibility to provide adequate training for those who perform manual handling tasks in their day to day role.

The **QA Level 2 Award in Safe Moving and Handling (RQF)** is a regulated and nationally recognised qualification designed for those who work, or intend to work, in a role that involves manual handling. It is the perfect course for those working in a variety of environments including warehouses and shops.

Successful candidates will learn the key principles of manual handling and how to apply these to their workplace. They will also practise a wide range of techniques, ensuring that they leave the course confident and proficient in moving and handling.
